Directions:

To get to our buildings of 'Joseph Banks Laboratories (JBL) or Minster House' - turn off Tritton road at the lights for Morrison's/B&Q, take the second exit at the Morrison's roundabout, then left at the mini roundabout, heading for B&Q. Drive past the entrance for B&Q then take the first right through the gates, drive straight ahead and left behind the big building below:

Please take care and drive very slowly in front of the JBL building shown below (particularly in front of the reception area). This is due to the ground having sharp drainage dips at the bottom of the slopes.

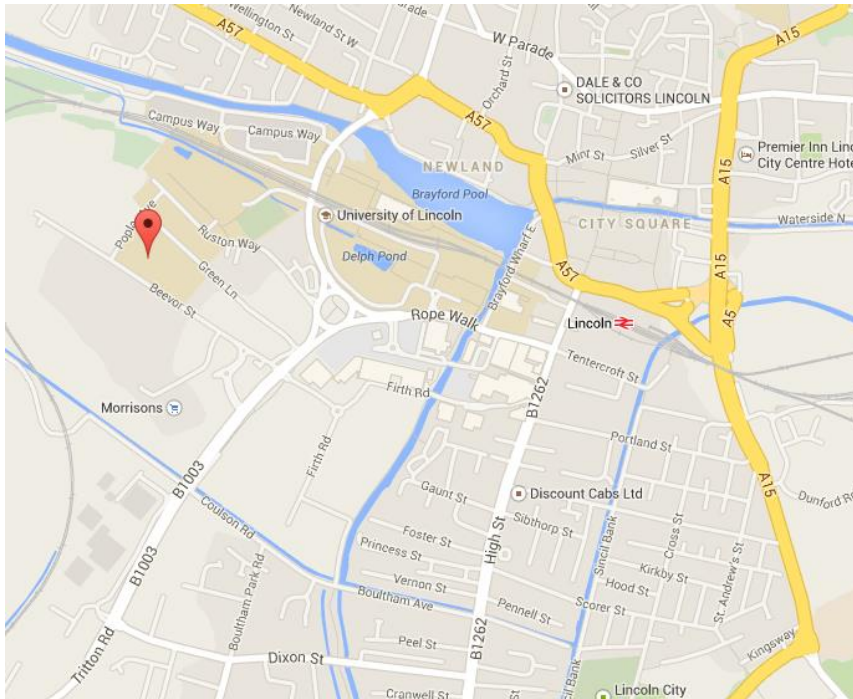

Joseph Banks Laboratories, please follow the car park behind this building

Park outside Minster House (below) as this is the closest parking to the location of puppy classes. The main entrance to Joseph Banks can be seen across the car park. All dogs must be on lead at all times
